## 1.0 BACKGROUND

### 1.1 INTRODUCTION

The demand for moving away from centralized planning/Budget, service delivery is one of the principle of institutionalization of Democratic Governance. The understanding of public sector on the importance of local communities' role in enhancing outreach, quality of service delivery, ownership and sustainable growth and development.

The recognition that local or community-based service provision increases efficiency, effectiveness, responsiveness and Sustainability further pushed for participatory approach in Public Budget Process.

Participatory Budgeting is anchored on **values & principles** of equality, solidarity, tolerance and shared responsibility. The process emphasizes development as a human right and focus on basic human development needs – improved wellbeing, health, education, opportunities for women & improving natural environment.

The ultimate goal is empowerment of every Citizen to influence decisions that affect their lives, acquire information and capacities to take action to improve their wellbeing and contribute to wellbeing of family, community, Local Government, State and eventually the Nation in general.

It is in the spirit of the above background and the Democratic principle of Participation, the Sokoto State Government institutionalized, citizens' engagement in all critical policy decision at both conceptualization and implementation of annual Budget.

Therefore, in its bid to provide a realistic and people responsive Budget that Sokoto State Government organized a Town Hall Meeting to receive inputs from the Citizens for in cooperation into the State 2026 annual Budget Proposal.

The Sokoto State Government under the auspices of the Sokoto State Ministry of Budget and Planning organized a Citizen Consultation Meeting with representatives of various ranging from CSOs, CBOs, CDAs, FBOs, NGOs, Community Leaders, Youth and Women groups, Organized Private Sectors, Academia and People with Special Needs to take their inputs for consolidation into 2026 State Budget Proposal.

The 2026 Citizens Budget Consultation was held at the three Senatorial zones of the State that covers the 23 Local governments Areas and 244 Political Wards fully represented and offered opportunity to presented their Demands and views.

## **1.2 Justification**

Citizens Consultation is necessary because:

It is at local level that policies translate into implementation, and rhetoric into action. Poverty always has deep pockets that need special attention & targeted interventions. Citizen participation enhances the ability to involve and reach more effectively the poorest of the poor and creates space to mobilize and strengthen local efforts

## **1.3 OBJECTIVE OF THE MEETING**

The Purpose of the meeting is to actively involve the citizens in budget conceptualization and implementation process of 2026 Budget Proposal. It is a forum in which the citizens will be allowed to make an input to guide the policy makers in the allocations of resources in an efficient and result based manner.
